

## Memorial and tribute

Now we are in front of the double Zoom Kobe 6 "Prelude" is not only to commemorate the 2011 All-Star votes Wang Bryant and MVP at home, while in the upper forms of artistic expression using collage, the starfish Other marine life, sharks and other collage together, this may be the first time to let you scratching their heads, but when you link these patterns together with the city of Los Angeles, you will get an answer - In homage to Southern California shows that more deeper meaning once again prove to the world, Bryant is to represent the city of Los Angeles, where ten years time, Bryant's body already imprinted on the spirit of Los Angeles, addition outside, the black mamba snake at the forefoot sneakers again embodies the essence of the "Black Mamba" in.

## City of Heroes

Bryant's success is no accident, in the commercial league, a player can struggle in the city in more than ten years, which in itself is a legend, and can own honor and the honor of the city together, perhaps in this league were numbered, Bryant success we do not need elaborate again, ten years, and the Los Angeles city work hand in hand, we can not imagine what it was like Kobe Bryant, Los Angeles does not, in our hearts, Bryant has long been in Los Angeles represents.

One pair of boots is a success not only need to have a strong technology and appearance, a loud charismatic name is very important, once those familiar with the Chinese nickname "Iron", "big armor", "little armor" Are our hearts an indelible memory. Recently the network exposed the pair of "black armor" Paul Pierce PE seems to pull us back to that era, back neck and 34 indicate the identity of the owner of the tongue, more commendable is the best signature shoe body.
