[Chinese shoes Network - brand observation], "We now have over 400 core staff have equity, options, we have to continue to expand the scope of the next, Peak will start the next round. equity incentive. " As the only company in the sporting goods industry annually publicly report on corporate social responsibility of private enterprises, the shoe brand Peak is working to create their own team culture. In CEO Xu Zhihua opinion, the problem lies not in the introduction of key team personnel, but rather to build the corporate culture and management processes throughout the building, culture building. Process to create not only be able to ensure a steady stream of new blood rising inside of your culture to the outside world if there is enough talent attraction, this is the most important. 400 people enjoy equity incentive

last year, Pick the HKEx announced its specific plans for the implementation of equity incentive . According to the announcement, Peak will total 13.065 million shares granted to more than 400 Olympic employees, including the company's executive, administrative and production staff, of which the highest earned 30 million equity incentive, the lowest received 5,000 shares.

This is the spring rate relay seven wolves, Anta and other listed companies, but also an implementation of equity incentive Quanzhou enterprises. However, seven wolves and modify 22 equity incentive after Anta 38 executives and other company data, compared involves Pick the broader equity incentive, including some of the grassroots cadres, also included in the scope of incentive stock options. Some analysts said the management equity incentive tilted from front-line employees to the incentives for executives in the past only to sink to the frontline staff who make them really feel respected, recognized, there is a reasonable remuneration and good career development . Meanwhile, the shoe brand Peak will also in the future recruitment, and achieved a more favorable position.

"We now have over 400 core staff have equity, options, we have to continue to expand the range of last year we started this option plans, to our core. Employees are integrated into the program in the past. We also went to the factory propaganda. In the business-to-supervisor at this level, the plant is to the team at this level, enjoy the option scheme. Next, the shoe brand Peak will start next equity incentive wheel is to be assigned to new entrants to the Olympic and outstanding staff. "Xu Zhihua said.

improve the promotion mechanism

It is understood that the Olympic Group has a sound internal promotion mechanisms, including technology development Development Gateway and management development, but also the way the internal competition for promotion. Good career development prospects make the Olympic able to make and retain talent introduction. The company more than 20 years of development history, a number of employees working in Olympic years has been more than 10 years, even up to 20 years. Among them, the sales director Lin Bilian growth is undoubtedly a classic.
