As part of this goal, the company will review its entire supply chain, from retail sourcing base, to ensure that the company with the best posture to enhance the consumer experience on the market.

Nike president and CEO Mark Parker said Nike brand strength, as well as a diversified portfolio of Nike Nike will continue to be the company's competitive strength. Given the current economic environment, it is more important than ever strategy, companies need to highlight consumer focus, through product innovation and brand management, is the largest manufacturer of consumer choice. Make layoffs difficult decision, but the decision to make the company's business in a more favorable position, the company can continue long-term profitability and growth.

The company expects to complete its review by the end of this fiscal or reorganization. After consultations between the company and

union representatives in accordance with local law, in order to know what time which sales outlets eliminated.

; BEIJING, April 10 electricity "Zaobao" quoted the Associated Press reported that the German sporting goods maker Adidas / Adidas sports shoes on a human head Asians attracted strong criticism from the United States, they The picture refers to vilify Asians.

; ; ; This is a limited production of sports shoes, Adidas is the result of collaboration with the San Francisco HUF clothing, shoes demonize Asian avatar is a fictional image - "Ray Fong", Avatar askance, fangs, and there is a pig nose, a pair of shoes says a big "Fong" word.

Avatar is the author of well-known San Francisco graffiti creator McGee (Barry McGee).

San Francisco Chinese Association for the Rights (Chinese for Affirmative Action) Executive President [] [] [] [] Hunter said: "In times like today, even with such an image from such a large-scale and international companies in Adidas, called people sad and disturbing. "

Since this limited production of 1,000 pairs of shoes to market, critical voices began to appear on the Internet. This shoe is priced at 205 euros per pair.

Adidas spokesman claimed that the company "appreciate the works of any self-expression" and "has no intention to offend any person or group."

HUF owners [] [] [] [] said criticism of the language that appears on the Internet, but is the "Internet rubbish."

He said: "They should first find information speak again." This is because McGee's painting had to express their anti-racist ideology. However, Washington American justice center (American Justice Center) of [] [] [] [] [] [] said: "Take a Chinese face printed on the sneakers, has made it lose that layer of meaning."

; the famous British brand Martens Dr. (Martin), since the birth of the birth of 1960, has been popular for more than fifty years, throughout this brilliant history, Martens Dr. has been a number of rebels, times and personality of the crowd to accept and subversion. They gave the Martens Dr. never compromise. The skinheads (Skinheads) style has been deeply influence us. Recently, Dr. Martens released a named "spirit of 69", with skinheads for the theme of the 2014 autumn series modelling collocation lookbook. To restore the 70s skinhead sign of wear take shape, showing Dr. Martens fall 2014 of the new shoes, exhibit a rough mad and tenacious hardcore style. Interested friends may wish to pay more attention to this.
